We are not promised more than today.  
Thus we need to live our legacy now,  
with focus and integrity.

Ryan Westcott is ready to step into the family business, armed with a fresh MBA degree from a prestigious business school. Yet his father has other ideas. He feels Ryan needs more education—but not the kind one gets from a school. Ryan is sent to his uncle’s Montana ranch to learn, in short, how to be a man.

While Ryan helps his uncle build a barn, he learns life lessons about health, work, finances, education, selflessness, humility, and most important of all, love.

Ryan meets the richest man in the county, only to find riches are not always counted in dollars and cents. And then there is Kayla, the pretty country lass who awakens deep feelings in Ryan he never knew he had, and challenges him to live a life of true purpose. Along the trail, Ryan meets one more person, one who will upend all else and change his life forever.

There is more to life than just what we see in our limited view. Come travel the “Big Sky” country with Ryan, and find the purposeful life that awaits you.

COVER IN PROGRESS

Beautifully-designed soft touch matte lam cover, with special debossing and spot gloss.

We live in an age saturated with self-help books, incredible GPS technology, and choices on every side. Yet many feel lost. Terribly lost. We do our best to follow the landmarks that seem to lead toward our dreams. We read the right books and ask for the right directions. But mountaintops turn into plateaus, the road to the promised land turns into a cul-de-sac, and the North Star we were following turns into the red-eye flight from JFK.

So what now? You need a new way to navigate your life, and you don't need someone else's road map. You need a compass all your own.

In *Extraordinary*, Michael invites you to discover the power of identity, permission, courage, and generosity. These unchanging points in your life will provide drive, focus, and momentum, and will help you navigate "the direction of you."

Discover a life free of the bonds of your day-to-day circumstance and transform your life into an extraordinary adventure.
