Ryan Westcott is ready to step into the family business, armed with a fresh MBA degree from a prestigious business school. Yet his father has other ideas. He feels Ryan needs more education—but not the kind one gets from a school. Ryan is sent to his uncle’s Montana ranch to learn, in short, how to be a man.

While Ryan helps his uncle build a barn, he learns life lessons about health, work, finances, education, selflessness, humility, and most important of all, love.

Ryan meets the richest man in the county, only to find riches are not always counted in dollars and cents. And then there is Kayla, the pretty country lass who awakens deep feelings in Ryan he never knew he had, and challenges him to live a life of true purpose. Along the trail, Ryan meets one more person, one who will upend all else and change his life forever.

There is more to life than just what we see in our limited view. Come travel the “Big Sky” country with Ryan, and find the purposeful life that awaits you.
